

INDUSTRIAL BUILDING FOR SALE

The property is located in the outskirts of Mignanego, in a residential area. The surrounding is characterized by buildings raised on one-two floors in an average state of maintenance. The property, fully fenced, is accessible from the SS (connected with the highway). The property consists of an external area fully paved and a four-floor building hosting a telephone exchange. Externally, the building seems in a good state of maintenance, although some renovation should be undertaken in the inside.
