

INDUSTRIAL BUILDING FOR SALE

The property is located in a suburb of the town of Sestri Levante. The surrounding city is characterized by predominantly residential buildings of two to three floors above ground of a civil. The property, a total three floors above ground without a lift, is accessible through a driveway with an iron gate, a motorized or pedestrian access. The complex is fully fenced with a wall of reinforced concrete that was once painted iron gate. The building in question, currently used as a telephone exchange, consists of six levels above ground, split between them. In the courtyard of the property is an area for the parking of cars. The location is good, even if the intended use today is not in line with the surrounding urban environment which is predominantly residential. The courtyard is paved and relevance is in good condition. Is part of the pro
